Executive Director: Bob Burridge (e-mail: bob@burridge.net)

In the mid 1500's Geneva became a gathering place for those who wanted to return Christianity to its biblical foundations. Under the leadership of John Calvin, scholars, ministers, and concerned students gathered to compare all they believed and practiced with God's word as preserved in Scripture.

The *Genevan Institute for Reformed Studies* was founded to continue that practice in our own period of history. Our desire is to apply God's word to our own beliefs, lives, and to the world around us. Our goal is to reform (reshape) it all to fit the form our Creator has given us in his written word.

The world-wide ministry of the Genevan Institute:

Every day users from many countries around the world regularly access our site. We provide a ministry of education from God's word which is available without charge 24/7.

Three primary types of original resources:

Most of our studies are in **written** form. They include some complete commentaries. We also do a **live video webcast** at 9pm (eastern) on the 2nd and 4th Thursdays of each month with few exceptions. The webcast lessons are also available in our YouTube channel so they can be watched at any time. We have also produced **videos** of many of our studies.

Our resources include full commentaries on the *Westminster Confession of Faith*, and the *Westminster Shorter Catechism*. We have commentaries on the biblical Books of *Haggai, Habakkuk, Romans, Galatians, Philemon (video only), Jude, Palm 51, Acts* (1:1-2:4 and 17:16-34), many of which are available in bot written and video formats. There are many other articles and series of studies on special topics such as; "*The Truth About Christmas*", "*Getting Right with God*", "*Our Reformed Heritage*", "*Lessons from God's Universe*", "*A Consistent Bible*" (answer to Bible critics), "*Extraordinary Stories of Ordinary Heroes*", "*Bible Basics*", "*Five Alone*" (the 5 Solas of the Reformation), and other topics.
